

THE FOOD ~ อาหารร้านกินข้าวไทย

Kin Khao is an invite extended to loved ones, close friends and family. Fifteen years ago, we broke the rules by cooking Thai food as it should be. Now is the time to throw away the rule book once again by introducing Isaan Thai to our new menu.

Kin Khao is both a passion and a project for us. It is the natural continuation of generations of time and thought and a love and respect for Thai food. Kin Khao is about drawing on a wealth of experience, recipes and knowledge to constantly innovate.

At home we enjoy food from all over Thailand. When we cook together, Isaan is the food of choice. Isaan is a region in the North East of Thailand where the food is like no other. It's both a joy and a challenge to eat. It's gutsy, fermented and fiery. Each of our chefs has their own passed down family recipe or favourite comfort food from their hometown. We include many of these in our new menu below.

WE HOPE YOU ENJOY THIS JOURNEY INTO OUR KIN KHAO THAI WORLD
